### Mechanical Engineering Distinguished Speaker Series*

**Speaker:** Dr. David Wisler, GE Aviation, MIT  
**Title:** Learn to Think Like an Expert  
**When:** Tuesday, February 11, 3:30 – 4:30 PM  
**Where:** 300 Whittemore Hall  
**Host:** Prof. Wing Ng

**Speaker:** Prof. Scott Stephens, University of Kentucky  
**Title:** Modeling of Radial Lip Seal Performance: A Multi-Physics Problem  
**When:** Thursday, March 6, 3:30 – 4:30 PM  
**Where:** 310 Kelly Hall  
**Host:** Prof. Mary Kasarda

**Speaker:** Prof. Kenny Breuer, Brown University  
**Title:** Elasticity and Flow: Flight, Propulsion and Energy-Harvesting Inspired by Animal Motion  
**When:** Thursday, April 3, 3:30 – 4:30 PM  
**Where:** 310 Kelly Hall  
**Hosts:** Profs. Danesh Tafti and Rolf Mueller

**Speaker:** Prof. Dennis Discher, University of Pennsylvania  
**Title:** Material Basics of Biology  
**When:** Thursday, May 1, 3:30 – 4:30 PM  
**Where:** 310 Kelly Hall  
**Host:** Prof. Amrinder Nain

---

*The Distinguished Speaker Series is supported by the Department of Mechanical Engineering and by a generous donation from Techsburg. Please contact Prof. Mark Paul with any questions or comments about events in this series.*
